Dear Ladies,

Following are the 2012 registration forms for you to print and fill out to bring to one of our two registration days in February. (There will be plenty of forms available on the day if you can't print yourselves.) *Word format is available on our website if preferred (www.davistownnetball.com).*

The 2012 registration fees will be:-

- \$165.00 for seniors (includes compulsory umpire fee)
- \$110.00 for juniors
- \$ 95.00 for nettas

**The registration fees need to be paid at time of registration.** If you cannot pay at this time, please contact me BEFORE this date.

As we did last year we are once again offering family discounts. The first player pays full fees and every family member thereafter receives \$10.00 off their registration fees.

Please don't hesitate to contact myself or any other committee member if you require any further information.

With thanks,

**Annie Gray**  
**Treasurer**
